

AN OPEN LETTER TO THE FRIENDS OF SOUL VACCINATION

**Music Lovers! Friends! Family!
Fairy Godmothers and aspiring Philanthropists!
Hear Ye Hear Ye!**

In January of 2008 Soul Vaccination captured one of our incendiary live performances at famed Jazz Club, Jimmy Meks. It's no easy job to wrangle music, but with our trusty sound wrangler, Brad Wager and his arsenal of high tech recording devices we came away with a terrific digital recording of our awe-inspiring performance featuring Gigi, Mark, the Soul Vax horns and what is without no doubt, the tightest rhythm section in the NW. After mixing and mastering, the **LIVE PERFORMANCE** is ready to be duplicated, pressed and packaged and finally offered to our public for posterity. The cost of finishing the CD production will be **\$3,600**. We already have some donors that have stepped up to help – the kind and happy folks at MacTarnahan's are giving us \$400 toward the final cost of production. That means there's still room to hop on the bandwagon – literally.

**HAVE YOU ALWAYS WANTED TO BE A PRODUCER?
DO YOU LOVE OUR HOT-PUMPING HORN SECTION?
DO YOU MELT TO THE SOUNDS OF GIGI'S SULTRY SINGING?**

Help us release our live sound into the howling wilds beyond the thunderous walls of Jimmy Meks! We are looking for either *one soul aficionado* to step forward to underwrite the cost of releasing the new **CD – OR** with help from *thirty-six* of our fans (hopefully, you), we are looking to raise individual contributions of \$100 towards the release of our new CD.

**IT'S CATCH AND RELEASE FOR THE MUSIC LOVING SET!
SNARE YOUR PERSONAL SOUL DELIVERY SYSTEM TODAY!**

WHAT YOU GET FOR A \$100 CONTRIBUTION:

WHAT YOU GET FOR \$3600?

While a \$100 contribution is a **DONATION** to an awesome cause, consider a contribution of \$3600 a loan to be paid back by the Soul Vaccination bursar.

Please contact Dave Mills at the contact information below if you wish to take down the whole ball of cheese or if you have any questions about how you may become involved in our support - we appreciate it!
